Andrea Wigger

This signature approve the validity of the test reports 94.21a and 94.22 (only if test reports are applicable) Air Turquoise SA, has thoroughly tested the sample mentioned above and certifies its conformity with the following standards: NfL 2-565-20, EN12491:2015 and EN1651:1999

The certificate of inspection is completed with test reports, if available, number: 94.21a and 94.22 The declaration must not be reproduced in part without the written permission of AIR TURQUOISE SA

⁽¹⁾ If Impact pad is NOT integrated in the harness, it will have independently Inspection number, and serial number. Definition of integrated impact pad is impact pad which can not be dismounted from the harness, e.g. airbag. (2) If harness has an integrated inner container for emergency parachute, extra deployment tests are done.
